Example; exact courses and sequence are subject to change. *World Language options: French, Latin, Mandarin, and Spanish.

**50 minute period: some Upper School students may choose to have both a 0 and 8th period so that may take a second elective.

Everything about the academics is different. The teachers are more engaged in their subject. There is more homework, but it's manageable and the difference in the amount you are learning here is so much greater.
