BASIS Independent Silicon Valley

An innovative education experience in the tech center of the United States.

What happens when best practices from top education systems in the world, places like Singapore, Finland, and Shanghai, are infused with the creativity and spirit that defines American education? **BASIS Curriculum Schools!**

Our program, rooted in the liberal arts and sciences, is recognized as the gold standard in preparing students with the content knowledge, critical thinking skills, and creative problem-solving skills that open up a world of possibility, of unlimited potential, in whatever pursuit they seek.

San Jose and Silicon Valley

- › Home of famous tech companies such as Apple, Facebook, Google, and Cisco.
- › Diverse population of innovators in every field from engineering to medicine.
- › Great mix of urban and suburban living, with plenty of opportunities to enjoy the outdoors.
- › Access to a number of cultural and social opportunities such as concerts, sports games, cinemas, and museums.
- › In addition, San Jose has many green parks to safely ride a bicycle or walk with friends and enjoy the blue skies.

Gateway to the Bay Area

BASIS Independent Silicon Valley is a short light-rail ride away from San Francisco, one of the nation's cultural hubs and home to the iconic Golden Gate Bridge.
